NEW WEBSITE

We're excited to debut our new website during the next few weeks! Our current site has been a true workhorse but it's not able to provide the level of services or the look that we know you want from your library. The new site features a streamlined design, fresh, beautiful photography of the library's interior and exterior and a navigation system that will make finding what you need or signing up for programs so much easier. We will also begin sending out our staff book and movie reviews and library news in an updated email newsletter that matches the new website's look and feel — while continuing to mail you our quarterly *Excerpts*. Of course, a website can never replace the personal service that we love providing to Glencoe. So be sure to stop in soon for a book or movie recommendation and to say hello to our friendly staff. We love seeing and hearing from you.

Library Staff News

MEET DONNA CRAVEN

Donna Craven

As a child growing up in Columbus, OH, my favorite destination was the public library, located just three blocks from my home. I loved to pick out books such as *Mary Poppins*, *Half Magic*, and *Phantom Tollbooth*—fantasies that transported me to places I'd never imagined. As an adult I enjoy being transported to other times and places through works of historical fiction. Thanks to recommendations made by our library's gifted staff, I have read a number of books that have become personal favorites.

I graduated from Valparaiso with a degree in music and since moving to the Chicago area in 1976, I have taught piano to students of all ages. With the birth of our third child in 1989, my husband, Jim Looman, and I moved to Glencoe from downtown Chicago. We bought our house without knowing anything about Glencoe. Imagine my delight when I discovered our vibrant "uptown" and library! Not knowing anyone that first summer, we spent a lot of time in the library, and that is when my children had their first exposure to computers.

I enjoy taking advantage of all that Glencoe Public Library offers, especially Monday movies, lectures, and DVDs (I confess I am not a Netflix subscriber). My hobbies include genealogy, and I love being able to log onto Ancestry.com through the library's website.

I am thrilled to be a newly-elected member of the Glencoe Public Library Board of Trustees, and I look forward to working with the other six trustees and our executive director, all of whom are passionate about our library and its mission.
